## JORDAN FORD TESTING REPORT

**BARCELONA, SPAIN**  
**Friday 21<sup>st</sup> February 2003**

**Driver**           Ralph Firman  
**Chassis**         EJ13 / 03

Jordan Ford completed its test session in Barcelona today in cold, damp and windy conditions in the morning with the track drying in the afternoon.

Firman completed 60 laps and set the third quickest time of 1:18.39. Following some initial intermediate tyre tests, he carried out work on Bridgestone's tyre test programme for the Australian Grand Prix.

The team conducted productive work with the given track time and now returns to Silverstone to prepare for the start of the 2003 World Championship.
